

IT MAKES MUSCLE

Dr. Pierce's Golden Medical Discovery Gives Working Strength.

"I know you expected a letter from me some time ago, but I did not write before this," says Mr. Joseph Grass, of Brewer, Perry Co., Mo. "It was because I did not wish to deceive any one. I wanted to be sure that your 'Golden Medical Discovery' had benefited me and it took time after I stopped taking the medicine before I felt sure I had realized permanent results from its use. After taking six bottles of 'Golden Medical Discovery' and one vial of your 'Pleasant Pellets' am able to do a day's work with any man. I cannot express in words the good your medicines have done me."

Catarrh Cannot Be Cured

with Local Applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials free.

Rheumatic Warped Limbs.

To suffer the most excruciating pains, to lose the use of limbs, and to have the joints swollen and disfigured is the lot of the victim of rheumatism. Uric acid in the blood is the cause of rheumatism. If the kidneys are active, they remove the uric acid. That is their special work. If, on the other hand, the kidneys are deranged, there is sure to be uric acid in the blood and rheumatic pain through the body. No amount of liniment will ever cure rheumatism. It sometimes relieves, but cure can only be brought about by setting the kidneys right. The most effective kidney remedy known to man is Dr. A. W. Chase's Kidney-Liver Pills. They cure

is all right, if you are too fat; and all wrong, if too thin already.

Fat, enough for your habit, is healthy; a little more, or less, is no great harm. Too fat, consult a doctor; too thin, persistently thin, no matter what cause, take Scott's Emulsion of Cod Liver Oil.

There are many causes of getting too thin; they all come under these two heads: overwork and under-digestion.

Stop over-work, if you can; but, whether you can or not, take Scott's Emulsion of Cod Liver Oil, to balance yourself with your work. You can't live on it—true—but, by it, you can. There
